**Workforce³ One provides a national virtual
forum to work with your colleagues to:**

Collaborate.

- ▶ Share ideas with a national community of workforce stakeholders
- ▶ Learn from state and local leadership through live Webinars

Innovate.

- ▶ Work together to develop innovative strategies, solutions, and ideas
- ▶ Discover new tools, insight and approaches to improve talent development

Transform.

- ▶ Learn how your colleagues across the country are implementing innovative processes and approaches for talent development
- ▶ Apply proven solutions that focus on talent development and promote regional economic development in your community

Workforce^{e3}One provides national networking opportunities and up-to-date information on innovative solutions and ideas. Here is a small sampling of what you will find:

- ▶ New Workforce Solutions searchable database spotlighting innovations created through the President's High-Growth Job Training Grants Initiative and Community-Based Job Training Initiative Grant
- ▶ Quick Start Action Planners (QSAPs) are powerful on-line assessment tools that provide diagnosis, direction, and excellent foundation for decision-making for all workforce professionals and leaders
- ▶ Regional data, links to Web sites, case studies, project summaries, and other resources for stakeholders, economic developers, educators, and employers
- ▶ Free live, interactive Webinars (on-line learning events) highlighting dynamic initiatives and innovations
- ▶ Podcasts (audio interviews) with stakeholders, experts, and peers from across the nation
- ▶ Self-paced learning opportunities allowing registrants of Workforce³ One to gain insight anytime and anywhere
